January 14, 2014

Dear Extended Learning and School Readiness Parents:

We are proud to announce that beginning the week of January 20, 2014, the Extended Learning Program and School Readiness Program will be able to accept credit and debit cards at each site. We have worked with Union Savings Bank of Danbury to provide this secure service to our parents. We are encouraging everyone to use it as it cuts down on the amount of paperwork, debits the payment right out of your account that night, ends the transfer of paper requests from the sites to the main office and helps us maintain our costs.

Each site has an Ipad and a bank hub. You will be able to swipe your credit or debit card with the assistance of your site facilitator or director, verify the amount of the payment and receive an email confirmation of your payment.

We encourage all parents to transfer to using this new method. We thank you for your cooperation in helping us improve our systems.
