

**DANBURY BOARD OF EDUCATION
SITES & FACILITIES COMMITTEE MEETING
NOVEMBER 14, 2012**

Present: Kathy Molinaro, Chair; Eileen Alberts, Bob Taborsak, Phyllis Tranzillo

Also Present: Gladys Cooper, Sal Pascarella, Joe Martino, Rich Jalbert, Rick Palanzo

Mrs. Molinaro called the meeting to order at 6:15 p.m. and turned the meeting over to Joe Martino and Rich Jalbert. Mr. Jalbert distributed the monthly facilities review for October/November 2012 and a discussion ensued.

Radon testing for all schools was discussed. The Superintendent said we need to do all the schools for our students' safety. It was asked how the test is conducted; is it a canister in each class room. Mr. Martino responded there will be a canister in selective classrooms, but somewhat different than how they do a house. The Board will have to approve of using the rental program funds in order to pay for this testing. We will not know the exact amount, but we are going to ask if we could spend up to \$22,000.

Dr. Pascarella discussed the expansion plans for Stadley Rough, Park Avenue, Shelter Rock and Mill Ridge. He is preparing a parent survey. He also stated we are looking at real estate available for additional classrooms and office space.

Mr. Taborsak moved, seconded by Ms. Alberts, to adjourn the November 14, 2012 Sites & Facilities Committee meeting. The motion passed and the meeting adjourned at 6:50 p.m.

Eileen Alberts, Secretary
