The administration of this school system is responsible for the direction, coordination and control of students and staff in their efforts to reach educational goals adopted by the Board within the guidelines established by Board policy, law and employees' agreements.

To demonstrate leadership and to resolve the issues that may arise both inside the school system and its relations with the community, the Board expects the administration to specialize in:

- a) the processes of decision making and communications;
- b) methods of planning, organizing, implementing and evaluating;
- c) how to coordinate and guide the various centers of power within the school system and the community to enable people to do things together for education which they may not be able to do separately.
