Adopted: 9/8/99

Policy No. 3-451*

Page 1 of 1

Consistent with state statutes, the Board will approve the existence of activity funds to provide supplemental educational opportunities to the district students and to provide for other specific purposes which the Board considers desirable.

The establishment of activity funds will be approved by Board action. On an annual basis, the Board and Superintendent or designee, will consider the continuance of existing funds.

The Superintendent of Schools will annually approve signatories for the expenditure of all authorized activity funds.

Funds will be administered and maintained in accordance with State Law and related rules and regulations established by Board action.

The Director of Finance and Support Services will act as Treasurer for all Schools Activity Accounts. The Director of Finance and Support Services shall be bonded.
