ACADEMIC ELIGIBILITY***

Adopted: 1/10/01

Policy No. 7-400*

Page 1 of 1

Students who plan to participate in the approved extra-curricular programs are expected to demonstrate a suitable level of academic preparation and success. Experiences in the educational program will be enhanced through opportunities to become actively involved in a diversified extra-curricular program. The student must show evidence that there is successful progress in their educational plan. Standards and eligibility criteria will be developed to insure a balance between the opportunities for academic success and extra-curricular participation.
