***TUBERCULOSIS TESTING OF
STUDENTS AND PERSONNEL***

Adopted: 4/26/06

Policy No. 7-108*

Page 1 of 1

The Danbury Board of Education shall support that at each mandated health examination, students are assessed for their risk of exposure to tuberculosis. All students determined to be at high risk will be tested for tuberculosis.

The Superintendent and/or his designee will institute regulations that support this policy.
