

# How Can You Use the Internet?

## Notes

Name: \_\_\_\_\_

Use this page to answer the questions from the Internet tutorial at [www.danbury.k12.ct.us/elemweb/internetintro/indexinternet.htm](http://www.danbury.k12.ct.us/elemweb/internetintro/indexinternet.htm)

Once completed, you will discuss the answers with your class back in the classroom.

### Tutorial 1: What is the Internet?

How would you describe the Internet?

---

---

---

### Tutorial 2: How do we navigate the web?

What is a Hyperlink?

---

---

---

List two ways to go back to a page you have already visited.

---

---

Visit each of the linked pages and write your answer here:

1. What's for lunch today? \_\_\_\_\_

2. What dates are holidays from school this month? \_\_\_\_\_

---

3. What radio station could you listen to when you want to find out if we have a snow day?

---

4. How many people live in Connecticut? \_\_\_\_\_

5. Where does a long-tailed weasel live? \_\_\_\_\_

How can the Internet help you?

---

---

---
